Summer Study

Taking Summer quarter classes is a great option for students who don't have time to take a foreign language during the regular academic year and are interested in intensive course work. All of summer courses are open to students from other colleges/universities, high school students, and members of the general public. We offer intensive language courses at various levels. Check the summer quarter course schedule on MyPlan or on the UW Time Schedule. If the summer quarter schedule isn't posted yet email frenital@uw.edu to learn about our French & Italian summer courses.

If you are not a current UW student, please visit the UW Summer Quarter web page to learn about how to enroll.

(See the links below to access this summer’s class schedules).
