

- Do you hope to one day work for a French company?
- Are you considering a career in translation?
- Are you interested in working in software localization?
- Do you wish to write better papers in your French classes?
- Do you wish you could express yourself more creatively in French?

If so, French 406 is the perfect course for you! The course is designed to help you develop the skills necessary to achieve your goals of written expression in French. For details, visit: <a href="http://goo.gl/HcHwih">http://goo.gl/HcHwih</a>.

Spring 2014 Prof. Denyse Delcourt French 406 TTH 1:30-3:20 Conducted in French
