French Undergraduate Minor Requirements
Effective Autumn 2018

Thirty (30) approved credits are required. A minimum grade of 2.0 is required in order for a course to be applied to the French, Language, Literature, and Culture minor. It is important to note that French majors have priority over French minors when registering for upper level French courses. The Department of French & Italian Studies cannot guarantee that French minors will be able to complete their requirements in a timely manner.
